

Interview Questions

A THREE-STEP-INTERVIEW GROUP PROCESS

Effective Use of Technologies and Classroom Practices Addressing LEP Learners

Interview Questions:

Question 1. What mechanisms are in place in your classroom or school to address the learning needs of LEP students?

Question 2. What research supports technology integration into the instruction of LEP students in your classroom or school?

Question 3. How does your collaboration within and outside your school help support your classroom teaching and your students' learning?

Question 4. What do you need to learn about how to make effective use of technology to help all students—including LEP students—achieve?
