

Purposes

A THREE-STEP-INTERVIEW GROUP PROCESS

Effective Use of Technologies and Classroom Practices Addressing LEP Learners

Purposes of This Process:

To establish an area of focus for professional development for teachers addressing the teaching and learning needs of LEP students by:

- Starting conversations
- Exploring multiple perspectives
- Building consensus

Suggested Action Plan of This Process:

- Identifying needs
- Generating ideas
- Setting specific action steps
- Building a knowledge base on ways to meet needs
- Looking at available technology options
- Brainstorming ways of using technology
- Setting short-term goals
- Meeting to discuss progress

Outcome of This Process:

Creation of a focus and an action plan for ongoing learning and professional development addressing LEP students.
